

Chorister Profile – Kelvin Nigel Rees

Kelvin was born on the 25th February 1953 in Tonypandy in the Rhondda Valley. He first attended Llwynypia Infants School and then Blaenclydach Secondary Boys School. He was first employed as a carpenter on site. He is currently unemployed. He is married to Lyn and they have two children and six grand children. Kelvin's hobbies include the choir, gardening and art.

Kelvin joined the choir in 2000. His main reason for joining was because he "loves to sing". Of the vast repertoire to choose from, Kelvin favourite song is Bring Him Home from the musical Les Miserables. He has enjoyed many memorable moments while a member of the choir, but his favourite was singing with the choir and winning the Best Welsh Choir competition in Pontins. Of the many venues at which he has performed, Kelvin has chosen singing on the field at the Millennium Stadium as his most unforgettable.

He regards his membership of The Choir as something quite special. He describes it as "socialising with a good bunch of lads twice a week, visiting new places and entertaining people". He views the Choir as "good voices and good fun".

Our thanks to Kelvin for providing the above information and allowing us to use it on this website.
