

Chorister Profile – Lyndon Norris

Lyndon was born on the 15th July 1944 in 33 Maddox Street, Blaenclydach in the Rhondda Valley. He attended Blaenclydach Infants School before competing his state education at Porth Grammar Technical School. His first job was as a student apprentice with South Wales Switchgear Ltd. He is now a retired Chartered Electrical Engineer. Lyndon was married to Barbara and they have three children and six grand children. He has a number of hobbies. The first he lists as a “fanatical life long Manchester United supporter”. He is also President of Cambrian and Clydach Vale Boys and Girls club, as well

as a life member of Rhondda and District Football League. He concludes by also listing The Cambrian Choir and Sunday night skittles as his other hobbies.

Lyndon joined Cambrian Male Voice Choir in September 2010. He explains “I joined after my wife had passed away through cancer and I needed something to help fill the void in my life”. Like all new members he is endeavouring to learn the choir’s repertoire, yet his favourite is “Bring him home” from Les Miserables.

As a new member how has the choir impacted on his life? He answers “Joining the CAMBRIAN CHOIR has been one of the best decisions I have ever made. Within two weeks of joining, I had to pinch myself to prove I was not dreaming, when I found myself singing the Welsh National Anthem with the Choir in the Millennium Stadium Cardiff celebrating the opening of the 2010 Ryder Cup Concert with SHIRLEY BASSEY & KATHERINE JENKINS on the bill”.

So what are his personal feelings about being a member of the Choir? “Joining the Cambrian Choir has taken me out of the house and helped to fill a massive hole in my life after the death of my wife”. When asked to describe the Choir Lyndon replies “regular unforgettable new experiences”.
