**The Cambrian  
Male Voice Choir  
At Offwell Village Hall  
Saturday 10<sup>th</sup> May 2014**

What a sensational concert came to Offwell on Saturday 10<sup>th</sup> May, The **Cambrian Male Voice Choir** from Tonypandy gave the village hall a night to remember, their songs truly lifted every ones hearts, the tremendous power in their voices carried through to every one in the audience.

The Musical Director, Fred Nicholas, gave us some amusing jokes and stories between the songs, which made for an interesting and delightful evening. They received a standing ovation from the audience. To see what you may have missed, visit their web site [www.cambrianmailchoir.org.uk](http://www.cambrianmailchoir.org.uk) then when they come again, you will also find out what a magnificent choir they are.

*Watch out for them.*
