

Peter Davey - Outgoing General Secretary.

1st August 2014.

This is not a biographical article, if you want one, then visit our website and look under chorister profile for Peter's biography. No, this is an article to thank this man for his services to the choir. Long standing General Secretary, Peter Davey, has decided to relinquish his role within the choir, and thus return to choir ranks without portfolio. His decision was for personal reasons and has been respected by everyone connected with the choir.

Peter has been Secretary for 25 years. In that time he has conducted Choir affairs with a calm and trusted authority. He has overseen many enjoyable events involving the choir, enjoyable for everyone concerned because of his meticulous planning and organisational skills. From organising local concerts to the nightmare of organising overseas tours, Peter has been at the helm, keeping the wheels well-oiled and running smoothly. Who can forget the recent tour to Malta, when weeks before departure, a schedule was presented to the choir. Peter predicted we would arrive back at the end of the tour, at The NUM Club, at 8.30pm. We actually arrived at 8.29 pm.

On many heated occasions we have witnessed a self-composure while all around him are losing their heads. Inevitably, he has resolved a crisis with pragmatic judgment. He has been, and will remain, a focal point within our choir. Though he hopes for a quieter life, we know his opinion and knowledge will be sought after in any future adventures. Whoever succeeds him, they will have very big boots to fill.

So before this article becomes unwieldy, repetitive and grovelingly sickening, we finish by thanking Peter and Steph for their service to our illustrious choir. From all of us, we doff our hats, touch our forelocks, bow down in appreciation and shout on top of our voices

“Thank You”

(In four part harmony of course.)
