

Cambrian Male Voice Choir support Sainsbury's Sports Relief fundraising.

With Sports Relief a major national charity event, the Cambrian Male Voice Choir from Tonypany, was delighted to accept Sainsbury's invitation to sing and support the charity in their Pontypridd store last weekend. Over a period of a few hours the choir delighted shoppers with a melody of traditional Welsh songs as well as songs from the modern era. Choir publicity officer Roy Gibbins explained, "The Cambrian Choir partakes in many charity events throughout the year. Not only does it give us the opportunity to perform to the general public, but it also enables us to help organisations raise money for such good causes. This is the first time we have sung in Sainsbury's Pontypridd, and we hope we can support them again in any future ventures. May we express a big thank you to everyone concerned and especially the customers who gave so generously". Certainly the response from the customers made the effort worthwhile, with over £320 being collected for the charity. For further information about the choir please visit our website on www.cambrianmalechoir.org.uk.
