

Chorister Profile – Gordon Thomas

Gordon was born on 2nd February 1930 in Gilfach Goch. The first school he attended was Cwmclydach Junior School. After leaving state education Gordon's first job was as a miner. He is now retired.

He has one daughter Kerie Jane, and one grand daughter Sarah Jane. His hobbies include swimming and of course the choir.

Gordon joined Cambrian Male Voice in 1959 and has remained an integral part of the first bass section to this day. His unbroken service makes him one of our most senior choristers. When asked why he joined the choir his response is "for the company and singing". Of all the songs in the choir's repertoire, Gordon chose Nidaros as his favourite.

He has had many terrific moments with the choir, with the tour of Canada being one of the best. Of all the venues Gordon has sung with the choir, he recalls Disney World in Florida as the most memorable. When prompted to explain what being a member of the choir has meant to him he states, "Meeting people around the world. The choir has been a big part of my life for 52 years". Gordon sums up his feelings for the choir quite simply as "Great choir, good friends".

Our thanks to Gordon for providing the above information and allowing us to use it on this website.
